Hi David:

As agreed yesterday, we're getting back with you at 1 pm PST today for a status of AECD review of 2017 1.6-L Cruze diesel.

I just left a voice message on your phone before writing this e-mail.

Below is a summary of our review.

Overall, I think the AECDs are approvable, although some require additional info.

Neither Seongyup or I has any questions from EPA's testing of the 2017 Cruze diesel.

Thanks.

Duc

Duc,  
AECD summary is attached. I named AECD that needs additional info as "Accepted AECD w/ additional info". Is it okay?
